Commissioner for Patents

The reply filed on February 19, 2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Applicant has not corrected the electronic Northern tables on pages 15-185 as was required in the Office action mailed November 15, 2002 (page 2). In addition, the parts of the application in the German language are not shown to have complete counterparts in the application in the English language and the English translation of those parts of the application that are asserted to correspond to parts of the application in German are not accompanied by a statement that the translation is accurate (see MPEP 608.01). See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
